These guidelines are for reference purposes only and should not be relied upon instead of the Bankruptcy Code and/or Bankruptcy Rules. Parties are advised that they should consult the applicable Code sections and/or Rules. Proof of Service necessary where noted if parties served are not electronic filing users.

1. "Interested parties" in a main case bankruptcy means: The debtor and debtor's attorney, trustee, United States Trustee, creditors' committee, any party or attorney who may be directly involved with the proceeding and anyone else you deem necessary should receive notice.

"Interested parties" in an adversary proceeding means: The plaintiff and/or their attorney, the defendant and/or their attorney, United States Trustee, any party or attorney who may be directly involved with the proceeding and anyone else you deem necessary should receive notice.

2. "All Creditors" means: Everyone on the mailing matrix, interested parties, plus any other attorney or party who is not listed but might be an interested party.

3. If the United States, other than a United States Trustee acting as a trustee in a case under title 11, or a debtor is the plaintiff, no fee is required. If a trustee or debtor in possession is the plaintiff, the fee should be payable only from the estate and to the extent there is any estate realized. If a child support creditor or its representative is the plaintiff, and if such plaintiff files the form required by § 304(g) of the Bankruptcy Reform Act of 1994, no fee is required.

4. At least 28 days before the confirmation hearing, the following items must be served on all creditors: order approving disclosure statement, notice of confirmation hearing, approved disclosure statement, plan and ballot. These materials will not be mailed by the clerk's office.
